

Note

Mario Mazzer

The Note bookcase is visually distinguished by the combination of the horizontal element, the shelves, with the vertical element, the beams. The shelves and beams are made of wood and are arranged in specific colour combinations.

SHELVES / BEAMS:

combination 1: mat white lacquered wood shelves / mat white lacquered wood beams

combination 2: mat quartz grey lacquered wood shelves / mat quartz grey lacquered wood beams

combination 3: American walnut shelves / mat dove grey and brown lacquered wood beams

combination 6: heat-treated oak shelves / mat dove grey and brown lacquered wood beams

combination 7: natural oak shelves / mat dove grey and brown lacquered wood beams

combination 8: anthracite grey oak shelves / mat quartz grey and anthracite grey lacquered wood beams
